Hey Kids!

It's "Back to School" time!

A time to make new friends and to learn new things! A time for new beginnings!

Here are some hints to make going back to school easier:

- Go to bed 30 minutes earlier — you want to be well-rested and ready to learn!
- Pick out what you want to wear the night before — it will save you time in the mornings!
- Eat a good breakfast — you learn better when you eat right!
- Enjoy yourself! Learning is fun!

Devotional for the First Week of School:

When you come home from school each day:

- tell your mom or dad about something you learned.
- decide one thing you will do the next day to show God's love.
- say this prayer before you go to bed:

"Dear God, thank you for being with me today. I am happy that I am learning new things. Help me to learn all that I can and to be a good example of your love. Amen."
