### Hey Kids!

- If you saw a worker carrying a bag of letters and postcards, what kind of worker do you think that person would be?
- If you saw a worker wearing a uniform with a badge, a hat, and driving a car with special lights on top, what kind of worker might that person be?
- If you saw a worker riding a large tractor in a field, what kind of worker might he or she be?

If you thought these workers might be a mail carrier, a police officer, and a farmer, you would be right! Sometimes you can guess what type of work a person does by the clothes he or she wears, and by watching what they do.

Do you think you could recognize one of God's workers? What would he or she look like? How might you see one of God's workers acting?

Whenever you see someone **being kind** to another person, you are seeing one of God's workers. When you spot someone sharing food, **visiting the sick**, or giving clothing to someone in need, you are seeing a worker in God's kingdom. When you see a classmate sitting in the cafeteria with a boy or girl who usually sits alone, or when you watch a friend **sharing toys**, even then you are seeing someone working for God.

In the New Testament book of Matthew, Jesus talked to the disciples about God's workers. He said, "The harvest is great, but the workers are few. So pray to the Lord who is in charge of the harvest; ask him to send out more workers for his fields."

God needs more workers! More workers are needed to show God's love in the world. God needs workers of all ages and sizes. Brothers, sisters, moms, dads, teachers, mail carriers, police officers, and farmers can all be workers for God!

Beginning today, at this very moment, do you think you could go to work for God?

### Activities
