

## CRIMINAL BACKGROUND DATA

*\*Trak-1 Technology compiles criminal data from databases nationwide. Our data encompasses State Agencies including the Department of Public Safety, the Administration of Courts and the Department of Corrections. The records obtained from these agencies include ALL counties that are reporting to the State Agency. Additionally, in order to provide clients with the best criminal records available Trak-1 also provides supplemental data directly from many counties located across the nation as it becomes available. Currently Trak-1 has over 200 MILLION criminal records with over 165 jurisdictions reporting including 43 States Criminal and 48 States Sexual Predator.*
